DEDICATION

Mr. Kinsey, we want to express our appreciation to you for your faithful service as our public school superintendent. Our community is proud of our fine public school. So you, Mr. Kinsey, we say, "Thank you," for your important work.

Sincerely,
Susan & Sylvia Van Zanten

I always appreciated so much the understanding and encouragement you gave to me during my high school years. And I especially appreciate the help you have given me and the interest you have shown in my work at Iowa State College. I salute Center's fine school system and school superintendent.

Sincerely,
Mikell Mann Sandbulte

Mr. Kinsey,

We started our S. C. school days together. We feel this dedication is appropriate.

Your years of service, Mr. Kinsey, are very much appreciated. I am grateful for this opportunity to express my gratitude.

Mary Ver Hoef

Personally do not recall the Thanksgiving incident in the superintendent's home which you mentioned, but I do remember quite vividly a certain Saturday morning when you and I were invited to have breakfast with Mr. C. O. Kinsey, a man who has and is doing a wonderful job as Principal Buying

It is a privilege to write to the student body about their superintendent, Mr. Kinsey, who is responsible for the high standing of the local school. His record in Lions Center speaks for itself. Six years that is a long time for a superintendent in Lions Center, the local school will continue to show progress as it has in the past.

Roger K. Oliver

The writing and conception of this short story has given me the remembrance of all who were with him. For I am sure Mr. Kinsey has given to Lions Public School will be remembered by all who were with him.

Thespians

One of the most active organizations in school this year was the Thespian Society. Nine new members were initiated at the fall initiation, and a party was given in honor of these new members. A play, "Dr. Hudson's Secret Journal," was also given by the club. This was an opportunity for each member of the organization to gain experience in dramatics through acting, directing, lighting, make-up, etc.

The F. H. A. is an active group of girls preparing to become homemakers. This year they visited the Spencer Fair and got many new ideas. In October the club attended the District Convention in Aurelia. There they met with many of the members from other clubs and received valuable experience. Representatives were sent to the State Convention in Des Moines. The information and experiences will help the girls to become better homemakers of tomorrow.

The Future Farmers of America spent a busy year. To start the year off a banquet was held to honor the members and all those associated with the organization. Representatives of the club traveled to Kansas City to attend a National F. F. A. convention. They received valuable experience and social activity at the convention. All of these events will help the members to achieve success in their vocation.
